BUNDY'S BASICS PROGRAM

My basics program focuses on covering all the basic training, techniques & theory that you need to know to be able to get the best basic training out of your dog.

It covers:

- How a dog learns
- Motivating your dog to work with you
- Leash Manners
- Proper Socialisation
- Structure & Boundaries within the home
- Recall (coming when called)
- Down-stay (Impulse Control)
- Building Confidence where necessary
- Addresses basic behavioural problems you may be seeing

The Bundy's Basics Program is for dogs who need to learn core foundations in training and need to overcome issues such as: **leash pulling, not coming when called, mild reactivity on leash, nervousness or anxiety, lack of impulse control, and any dogs showing mild undesirable behaviours like nipping, jumping up etc.**

GETTING STARTED - THE EVALUATION

Prior to booking anyone in for a program, I come out to you for an obligation free evaluation. An evaluation costs **\$165.00** inc. GST within 30km of Roleystone Base (\$150+\$15GST) or **\$192.50** outside of 30km from Roleystone Base (\$175+\$17.5GST).

Alternatively, you can visit me in Roleystone for a cost of **\$110.00** inc. GST.

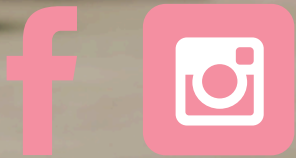

The evaluation generally runs from your home unless you have opted to come to me for 1-1.5 hours and allows you to ask any questions you may have, get to know me as a trainer, get to know how I work and for me to come up with a plan for you & your dog moving forward. I will then write up a program quote for you from there.

If you're unsure whether you need a basic or full program, don't worry! That's what the evaluation is for.

You could even choose to book a one-off session after your evaluation if you wanted. The evaluation is obligation free and allows us to assess what your dog needs for best results. To book an evaluation for a program, just contact us!
